easy for the learner

How does it work?

We provide you with:

- Miromaa licenses for your language team
- Detailed instructions
- Advice and assistance with Multimedia
- A high quality App template
- Tech developer to work with you throughout the process including development, advice, testing, bug fixes, updates

You then:

- Enter your language into Miromaa
- Make audio recordings
- Take pictures
- Export the data from Miromaa and send to us!

The Miromaa app template is a great way to enter the world of apps at a reasonable price
